Highlights

Patented Sonic technology
Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Angled brush head neck
Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Safe and gentle
Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Smartimer

2-minute timer helps ensure dental professional recommended brushing time

Easy-start program
Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Soft Grip
The soft grip helps you better control your Sonicare toothbrush and adds comfort.
